Dear Sir or Madam:

Reference is made to (i) the First Amended and Restated Limited Partnership Agreement of OFM 4IL, Limited Partnership (the “**Partnership**”), dated as of [●] (the “**Partnership Agreement**”), by and among OFM 4, LP (the “**General Partner**”), and the limited partners thereof; and (ii) this subscription agreement, dated as of the date first set forth above (this “**Agreement**”), by and among the General Partner, on behalf of the Partnership and itself as general partner of the Partnership, in each case as furnished to the undersigned with respect to the offering of Units of limited partnership interests in the Partnership. The Partnership Agreement and this Agreement are collectively referred to herein as the “Offering Materials.” Capitalized terms used, but not defined, herein shall have the respective meanings given to them in the Partnership Agreement.

The undersigned investor (the “**Investor**”) hereby subscribes and agrees as follows:

1. Subscription for Units. Subject to the terms and conditions set forth in this Agreement and in the Partnership Agreement, the Investor agrees (i) to purchase from the Partnership units representing a limited partnership interest in the Partnership in such class as is set forth on the signature page below (the “**Units**”) and in the amount set forth on the signature page below (except to the extent that a lesser amount has been accepted by the General Partner), payable in the manner and at the times as set forth in the Partnership Agreement, (ii) to become a party to and be bound by the Partnership Agreement as a Limited Partner of the Partnership (a “**Limited Partner**”). Each Unit shall be denominated at \$1000 or any other value that the General partner shall decide.

2. Representations and Covenants of the Investor. The Investor hereby represents and warrants to, and agrees with, the Partnership and the General Partner as follows:

(a) Suitability. THE INVESTOR HAS READ CAREFULLY AND UNDERSTANDS THE OFFERING MATERIALS AND HAS CONSULTED ITS OWN ATTORNEY, ACCOUNTANT, TAX ADVISER OR INVESTMENT ADVISER WITH RESPECT TO THE INVESTMENT CONTEMPLATED HEREBY AND ITS SUITABILITY FOR THE INVESTOR. ANY SPECIFIC ACKNOWLEDGMENT SET FORTH BELOW WITH RESPECT TO ANY STATEMENT CONTAINED IN THE OFFERING MATERIALS SHALL NOT BE DEEMED TO LIMIT THE GENERALITY OF THIS REPRESENTATION AND WARRANTY.

(b) Review of Offering Materials. The Investor has received, carefully read and understands the Partnership Agreement outlining, among other things, the organization and investment objectives and policies of, and the risks and expenses of an investment in, the Partnership. The Investor acknowledges that it has made an independent decision to invest in the Partnership and that, in making its decision to subscribe for Units, the Investor has relied solely upon the Partnership Agreement and independent investigations made by the Investor. The Investor is not relying on the Partnership, the General Partner, or any other person or entity with respect to the legal, tax and other economic considerations involved in this investment, other than the Investor’s own advisers, and the Investor is fully informed as to the legal and tax requirements within the Investor’s own country (or countries) regarding a purchase of the Unit. The Investor’s investment in the Unit is consistent with the investment purposes, objectives and cash flow requirements of the Investor and will not adversely affect the Investor’s overall need for diversification and liquidity.

(c) Opportunity to Verify Information. The Investor acknowledges that representatives of the Partnership have made available to the Investor, during the course of this transaction and prior to the purchase of

the Units, the opportunity to ask questions of and receive answers from them concerning the terms and conditions of the offering of the Units described in the Offering Materials, and to obtain any additional information necessary to verify the information contained in the Offering Materials or otherwise relative to the proposed activities of the Partnership or to otherwise evaluate the merits and risks of an investment in the Units.

(d) **Confidentiality.** The Investor acknowledges that it will receive or have access to confidential proprietary information concerning the Partnership and the offering contemplated herein, including, without limitation, information regarding potential investments, financial information, trade secrets and the like (collectively, “**Confidential Information**”), which is proprietary in nature and non-public. The Investor agrees that it shall not disclose or cause to be disclosed any Confidential Information to any person or use any Confidential Information for its own purposes or its own account, except in connection with its investment in the Partnership and except as otherwise required by any regulatory authority, law or regulation, or by legal process. The Investor has not and shall not reproduce, duplicate or deliver the Partnership Agreement or this Agreement to any other person, except professional advisers to the Investor or as authorized by the General Partner. Notwithstanding anything to the contrary herein, the Investor (and each employee, representative or other agent of the Investor) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of: (i) the Partnership; and (ii) any of its transactions, and all materials of any kind (including opinions or other tax analyses) that are provided to the Investor relating to such tax treatment and tax structure.

(e) **Purchase for Investment.** The Investor understands and agrees: (i) that the Investor must bear the economic risk of its investment; (ii) that the Units have not been registered under the U.S. Securities Act of 1933, as amended (the “**Securities Act**”), the Israeli Securities Law 5728-1968, as amended (the “**Securities Law**”) or under the applicable securities laws of any other jurisdiction, (collectively, the “**Securities Acts**”), and, therefore, cannot be resold or otherwise disposed of unless it is subsequently registered under the applicable Securities Acts, or such other applicable securities laws, unless an exemption from such registration is available; (iii) that the Partnership is not being registered as an “investment company” as the term “investment company” is defined in Section 3(a) of the United States Investment Company Act of 1940, as amended (the “**Investment Company Act**”); (iv) that the Investor is purchasing the Units for its own account and without a view towards distribution thereof; (v) that the Investor shall not resell or otherwise dispose of any or all of the Unit purchased by the Investor, except as permitted by law, including without limitation, any regulations under the Securities Acts or other applicable securities laws, and any and all applicable provisions of the Partnership Agreement; (vi) that the transfer of the Units by the Investor and the admission of another Limited Partner for the Investor are restricted by the terms of the Partnership Agreement, the Securities Acts and the Israeli Partnerships Ordinance (New Version) of 1975, as amended from time to time, and any successor to such Ordinance (the “**Partnership Ordinance**”) and any other applicable law; (vii) that the General Partner does not have any intention of registering the Partnership as an “investment company” under the Investment Company Act or of registering the Units under the Securities Acts or of supplying the information which may be necessary to enable the Investor to sell, transfer or otherwise dispose of the Units; (viii) that neither the General Partner nor its partners nor any other person or entity selected by the General Partner to act as agent or adviser of the Partnership with respect to managing the affairs of the Partnership is currently registered (or intends to register) as an investment adviser under the Israeli Law for the Regulation of Investment Advice, Investment Marketing and Portfolio Management of 1995, as amended or United States Investment Advisers Act of 1940, as amended; and (ix) that Rule 144 under the Securities Act is unlikely to be available as a basis for exemption from registration of the Units in connection with the sale, transfer or other disposition of any or all of the Units. The Investor understands that there is no public or other market for the Units, and it is not anticipated that such a market will ever develop. Except as provided in the Partnership Agreement, the General Partner and the Partnership will have no obligation to recognize the ownership, beneficial or otherwise, of the Units by anyone other than the Investor and the Investor will have no right to withdraw from the Partnership or to receive distributions in respect of its Units. The Investor further understands that for the foregoing reasons, the Investor will be required to retain ownership of the Units and bear the economic risk of this investment for an indefinite period of time.

(f) **Partnership Investments and Control.** The Investor is aware that the current intention of the Partnership is to invest substantially all of its assets in OwnEZ Fund IV, LP (the “**Master Fund**”), through which such assets would be applied and dispersed on a platform created and operated by OwnEZ Inc (which is not managed or controlled by the Partnership or the Master Fund), which provides financing to home buyers that aim to purchase residential properties for the primary purpose of occupying them or for the acquisition of similar loan on secondary markets (“**OwnEZ Loans**”).

(g) **Limited Liability.** The business of the Partnership will be conducted by its General Partner who will be liable for all debts and obligations of the Partnership, to the extent the Partnership has insufficient assets. As a general matter, a limited partner of an Israeli limited partnership will not be liable for the debts and obligations of the limited partnership save (i) as expressed in the partnership agreement, (ii) if such limited partner becomes involved in the conduct of the partnership's business and holds himself out as a general partner to third parties, or (iii) if such limited partner is obliged pursuant to the Partnership Ordinance to return a distribution made to it where the limited partnership is insolvent and the limited partner has actual knowledge of such insolvency at that time.

(h) **Exhibits.** The Investor has carefully reviewed, completed and signed, or caused its authorized representative to sign, Exhibits A through G attached hereto and makes each of the representations set forth therein and such representations are true and correct in all respects.

(i) **Additional Risk Factors.** The Investor has read and understands all the risk factors attached as Exhibit F hereto.

(j) **No Need for Liquidity.** The Investor has no need for liquidity in connection with its purchase of the Units, is able to bear the risk of loss of its entire investment in the Units and understands that its investment in the Units may result in the complete loss of such investment.

(k) **Investment Objectives and Advice.** The purchase of the Units by the Investor is consistent with the general investment objectives of the Investor. The Investor hereby acknowledges that it has not relied on the General Partner or any of its partners or Affiliates for investment advice with respect to an investment in the Partnership.

(l) **Securities Laws.**

- (1) The Investor received the Offering Materials and first learned of the Partnership, and has signed the Offering Materials in the country, territory, state or other jurisdiction listed as the address of the Investor set forth on the Investor's signature page hereto, and intends that the securities laws of that country, territory, state or other jurisdiction alone shall govern the offer and sale of the Units to the Investor. The Investor understands that no governmental agency or authority has passed upon or will pass upon the offer or sale of the Units or has made or will make any finding or determination as to the fairness of this investment. The Investor satisfies itself as to full observance of the laws of any relevant country, territory, state or jurisdiction in connection with the offer and sale of the Units, and obtains all required governmental or other consent and observing any other applicable legal, regulatory or other similar formalities.
- (2) To the extent the Investor's participation in the investment activities of the Partnership is depended, as determined by the General Partner, on its classification as qualified investor in accordance with the provisions of the Israeli Securities Law, the Investor will provide the Partnership with all references and materials proving that it meets all conditions in the Securities Law; and in case the Investor is not an Israeli resident or a corporate entity which is incorporated in Israel, the Investor will provide the Partnership with disclaimer that the Investor meets all conditions determined in the laws of the country it is resident.

(m) **Investment Company Act Representations.** If the Investor is a corporation, trust, partnership or other organization:

- (1) The Investor was not, or will not be, formed or "recapitalized" (as defined below in this Section 2(m)) for the specific purpose of acquiring the Units;
- (2) The Investor's shareholders, partners or other beneficial owners have no individual discretion as to their participation or non-participation in the Units and will have no individual discretion as to their participation or non-participation in particular

investments made by the Partnership;

- (3) The Investor has not and will not invest more than 40% of its “committed capital” (as defined below in this Section 2(m)) in any single entity, including the Partnership); and
- (4) If the Investor is contributing 10% or more of the total capital to be contributed by the Limited Partners to the Partnership, either (i) all of the outstanding securities (other than short-term paper) of such Investor are beneficially owned by one natural person, or (ii) such investor is not an “investment company” under Section 3(a) of the Investment Company Act or an entity which would be an “investment company” but for the exception provided for in Section 3(c)(1) or Section 3(c)(7) of the Investment Company Act.

For purposes of this Section 2(m), the following definitions shall apply: “**committed capital**” includes all amounts which have been contributed to the Investor by its shareholders, partners or other equity holders plus all amounts which such persons remain obligated to contribute to it; and the term “**recapitalized**” shall include new investments made in the Investor solely for the purpose of financing its acquisition of the Units and not made pursuant to a prior financial commitment.

(n) **Certain Regulatory Matters.** If the Investor is a corporation, trust, partnership, limited liability company or other entity, organization, or association, it has not been formed or used to circumvent the provisions of Section 12(g) or 15(d) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”) and the Units held by the Investor will be held of record by one person within the meaning of the Exchange Act Rule 12g5 1.

(o) **Power and Authority; No Conflicts.** If the Investor is a corporation, trust, partnership, limited liability company or other entity, organization or association: (i) it has the requisite power and authority to execute and deliver this Agreement and the Partnership Agreement; (ii) the person signing this Agreement on behalf of the Investor has been duly authorized to execute this Agreement and the Partnership Agreement; and (iii) such execution, delivery and performance by the Investor of such agreements do not violate, or conflict with, the terms of any agreement or instrument to which the Investor is a party or by which it is bound. If the Investor is an individual, the Investor has all requisite legal capacity to acquire and hold the Units and to execute and deliver this Agreement and the Partnership Agreement and to perform its obligations hereunder and thereunder. This Agreement has been duly executed by the Investor and constitutes, and the Partnership Agreement, when the Investor is admitted as a Limited Partner will constitute, valid and legally binding agreements of the Investor enforceable against the Investor in accordance with their respective terms. The Investor has obtained all necessary consents, approvals and authorizations of government authorities and other persons or entities required to be obtained in connection with its execution and delivery of this Agreement and the Partnership Agreement and the performance of its obligations hereunder and thereunder.

(p) **Knowledge and Experience.** The Investor and its purchaser representative (if any) currently have, and (unless the Investor has a purchaser representative), the Investor had immediately prior to receipt of any offer regarding the Partnership, such knowledge and experience in financial and business matters as to be able to evaluate the merits and risks of an investment in the Partnership.

(q) **Purchaser Representative.** If the Investor has utilized a purchaser representative, the Investor has previously given the Partnership notice in writing of such fact (which shall be acknowledged by the General Partner in writing), specifying that such representative would be acting as the Investor’s “purchaser representative” as defined in Rule 501(h) of Regulation D under the Securities Act (“**Regulation D**”).

(r) **No View to Tax Benefits.** The Investor is not acquiring the Units with a view to realizing any benefits under any tax law, including, but not limited to, United States federal or Israeli income tax laws, and no representations have been made to the Investor that any such benefits will be available as a result of the Investor’s acquisition, ownership or disposition of the Units. The Investor has not received any tax-related advice from the Partnership or the General Partner.

(s) **Publicly Traded Partnership.** The following representations are included with the intention of enabling the Partnership to qualify for the benefit of a “safe harbor” under U.S. Treasury Regulations from treatment of the Partnership as an entity subject to corporate income tax. The Investor *either*:

- (1) is not a partnership, grantor trust, or Subchapter S corporation or other entity treated as a pass-through entity for U.S. federal tax purposes,
- (2) is a partnership, grantor trust, or Subchapter S corporation for United States federal income tax purposes, and (i) at no time during the term of the Partnership will 65% or more of the value of any beneficial owner’s direct or indirect interest in the Investor be attributable to the Investor’s interests in the Partnership, (ii) less than 65% of the value of the Investor is attributable to the Investor’s interests in the Partnership, and (iii) permitting the Partnership to satisfy the 100 partner limitation set forth in Section 1.7704-1(h)(1)(ii) of the U.S. Treasury Regulations is not a principal purpose of any beneficial owner of the Investor or of any person authorized to act on the Investor’s behalf, for using the tiered arrangement within the meaning of U.S. Treasury Regulation Section 1.7704-1(h)(3)(ii).

(t) **Tax Implications of Investment in the Partnership.** The Investor understands that its investment in the Partnership involves important and complex tax implications, which are subject to change from time to time. These include, among other things, tax implications in the jurisdiction in which the Investor is resident or otherwise subject to taxation. The tax implications of acquiring, holding and disposing of the Units could affect the economic returns to the Investor from its investment in the Partnership. The Investor has not received any tax advice or tax information from the General Partner. The Investor has consulted with and has relied solely upon its own tax advisors with respect to the tax implications of its investment in the Partnership (including, without limitation, tax return filing requirements).

(u) **Tax Reporting Requirements and Withholding.** The Investor understands and acknowledges that it is subject to and solely responsible for any and all Israeli, United States federal income and other tax reporting requirements that may be imposed upon such Investor as a result of its investment in the Partnership, if any. The Investor covenants and agrees to cooperate with the General Partner and the Partnership to provide current and appropriate information to the Partnership with respect to tax matters affecting such Investor. The Investor has completed and delivered to the Partnership relevant United States Internal Revenue Service Forms W-8BEN, W-8BEN-E, W-8IMY, W-8EXP or W-8ECI (each, a foreign person certificate) and W-9 (a U.S. Person certificate), as applicable, and certifies that the information contained in such executed document submitted herewith is complete and accurate. The Investor shall promptly inform the General Partner of any change in such information and execute a new Form W-8 or W-9, as applicable, with the correct information. The Investor agrees and undertakes to provide to the General Partner, all such other forms and withholding information which may be requested by the General Partner, from time to time, to comply with the Partnership’s obligations under any applicable tax laws, and to cooperate with the General Partner upon its request in order to maintain appropriate records and provide for withholding amounts under applicable tax laws, if any, relating to the Investor’s Units in the Partnership.

(v) **Tax Compliance.** The Investor is, and shall at all times remain, fully compliant with all its reporting obligations applicable to it in connection with its investment in the Partnership, and pays, and shall at all time pay, all taxes applicable to it in each relevant country in connection with such investment. The Investor agrees that the General Partner may disclose and provide to any taxing authority or other relevant authority in any country any document and/or information with respect to its investments in the Partnership and waives any confidentiality with respect thereto.

(w) **Status as Disregarded Entity.** Except to the extent that the Investor has notified the General Partner in a writing attached to this Agreement, the Investor is not disregarded as an entity separate from its owner within the meaning of Treasury Regulation Section 301.7701-3.

(x) **No Borrowings.** The Investor has not borrowed any portion of its contribution to the Partnership, either directly or indirectly, from the Partnership, the General Partner, or any Affiliate of the foregoing.

(y) **Partnership Counsel Does Not Represent the Investors.** The Investor understands and acknowledges that Meitar Law Offices (the “**Counsel**”) represents the Partnership and the General Partner, and not the Investor, in connection with the formation of the Partnership and the sale of the Units, and that the Investor should consult its own legal and tax advisors in connection therewith. The Investor also understands that no independent counsel has been retained to represent the Limited Partners. The Investor acknowledges that Counsel has not independently verified any factual assertions made to the Investor and is not responsible for the Partnership’s compliance with its investment program or applicable law. The Investor represents that it has not relied upon Counsel’s participation in the preparation of the “Offering Materials” or its representation of the General Partner and certain of its Affiliates in connection with its investment in the Partnership.

The Investor further agrees that: (i) Counsel’s representation of the General Partner and the Partnership is limited to specific matters as to which each has been consulted by the General Partner, and there may exist other matters that could have a bearing on the Partnership as to which the Counsel have not been consulted; (ii) Counsel does not undertake to monitor: (x) compliance by the General Partner and its affiliates with the investment program, valuation procedures and other guidelines set forth in the Offering Materials; and (y) ongoing compliance with applicable laws; (iii) in connection with the preparation of the Offering Materials, Counsel’s responsibility is limited to matters of Israeli law and does not accept responsibility in relation to any other matters referred to or disclosed therein; (iv) in the course of advising the General Partner, there are times when the interests of the Limited Partners may differ from those of the General Partner and the Partnership, and the Counsel does not represent the Limited Partners’ interests in resolving these issues; and (v) in reviewing the Offering Materials, the Counsel has relied upon information furnished to it by the General Partner and has not investigated or verified the accuracy and completeness of information set forth therein concerning the Partnership.

(z) **Nominees and Custodians.** The undersigned is not acting as nominee or custodian for another person, entity or organization in connection with the Units.

(aa) **Final Form.** The Investor understands and acknowledges that his or its investment in the Partnership shall be subject to the terms and conditions of this Agreement and the Partnership Agreement in such final forms as shall be executed by the parties hereto and thereto, and as the same may be amended from time to time in accordance with their respective terms.

(bb) **No General Solicitation or General Advertisement; No Prospectus.** None of the Partnership Agreement, this Agreement or any other materials provided by the General Partner or any authorized representative thereof (taken individually or collectively) purport to satisfy the “prospectus” requirements that would apply to the issuance of the Partnership Units if the offering of the Partnership Units were a “public offering” within the meaning of the Securities Acts or to otherwise satisfy standards of disclosure and transparency generally associated with such requirements. Investor is not executing this Agreement or purchasing the Units as a result of, or in reliance on, any advertisement, article, statement, notice or other communication (i) published in any newspaper, magazine or similar media, (ii) broadcast over television or radio, (iii) publicly or broadly available via the Internet, (iv) made or presented at a meeting substantially open to the public, or (v) otherwise in the nature of a general solicitation regarding the offering of interests in the Partnership.

(cc) **OFAC and Anti-Money Laundering.** The Investor hereby acknowledges that the Partnership seeks to comply with all applicable sanctions imposed under the laws, regulations or executive orders administered and enforced by the U.S. Treasury Department’s Office of Foreign Assets Control (“**OFAC**”), pursuant to 31 C.F.R. Sub. B, Chap. V (“**OFAC Sanctions**”), the Israeli Prohibition on Money Laundering Law, 5760-2000, and any regulations promulgated thereunder and all other applicable laws concerning money laundering and related activities. In furtherance of those efforts, the Investor, on behalf of itself, its “controlling parties” (as defined below in this Section 2(cc)) and any disclosed or undisclosed principal for which the Investor is acting as a nominee or other type of agent, certifies, based on appropriate diligence and investigation, that:

- (1) it and any such controlling party and disclosed or undisclosed principal or any other person or entity of whom it is acting on behalf is not named on any prohibited lists maintained by the U.S. government, including, but not limited to, the OFAC list of Specially Designated Nationals and Blocked Persons;

- (2) it and any such controlling party and disclosed or undisclosed principal or any other person or entity of whom it is acting on behalf is not otherwise the target of any OFAC Sanctions;
- (3) none of the cash or property that the Investor has paid, will pay or will contribute to the Partnership has been or shall be derived from, or related to, any activity that is prohibited under the OFAC Sanctions, Israeli law or any other unlawful activity or source, and no cash, property or item of value that Investor receives from the Partnership will be used in any transaction or manner that is prohibited under the OFAC Sanctions or Israeli law;
- (4) none of the cash or property that the Investor has paid, will pay or will contribute to the Partnership has been or shall be derived from, or related to, any activity that is deemed criminal under United States law or Israeli law; and
- (5) no contribution or payment by the Investor to the Partnership, to the extent that they are within the Investor's control, shall cause the Partnership or the General Partner to be in violation of the United States Bank Secrecy Act, as amended, or any regulation issued thereunder; the criminal money laundering provisions set forth in Title 18 of the United States Code; or the OFAC Sanctions or any applicable Israeli law.

For purposes of this Section 2(cc), “**controlling party**” means any person or entity who owns more than 50% of the economic interest in another person or entity or controls the board of directors or similar governing body, the day-to-day operations or material business decisions of such other person or entity.

The Investor agrees to promptly provide to the General Partner any additional information regarding the Investor or its beneficial owners that the General Partner deems necessary or convenient to ensure compliance with all applicable laws concerning money laundering and similar activities. The Investor understands and agrees that if at any time it is discovered that any of the foregoing representations are incorrect, or if otherwise required by applicable law, regulation or administrative pronouncement related to money laundering and similar activities, the General Partner may undertake appropriate actions to ensure compliance with applicable laws, regulations and administrative pronouncements, including, but not limited to those actions described in the Partnership Agreement. The Investor further understands that the Partnership or General Partner may release confidential information about the Investor and, if applicable, any underlying beneficial owners, to proper authorities if the General Partner, in its sole discretion, determines that it is in the best interests of the Partnership in light of relevant rules, regulations and administrative pronouncements under the laws set forth in this Section 2(dd).

(dd) Anti-Money Laundering.

- (1) The Investor represents that each of the Investor's Units is to be purchased with funds that are, directly and indirectly, from legitimate sources in connection with its regular business activities and which: (i) do not constitute the proceeds of criminal conduct, criminal property or any unlawful activities; (ii) are not related, directly or indirectly, to any terrorist organization; and (iii) are otherwise not directly, or to the Investor's knowledge indirectly, derived from or otherwise attributable to activities or omissions that present a material likelihood of contravening United States, Israel or any other jurisdictions' laws, including anti-money laundering, anti-terrorism laws and regulations, and/or non-payment of taxes.
- (2) The Investor represents that all its subscription funds will be transferred from an account maintained at a regulated financial institution under its name and which is located at Investor's place of residency. The Investor understands that the Partnership may refuse, at the General Partner's sole discretion, to receive or distribute funds received or to be distributed respectively, from any account other than an account maintained by a regulated financial institution which is under the Investor's name in its place of residency. The Investor will provide the General Partner, upon its request, a written explanation for any such transfer and will provide additional documentation if requested by the General Partner or its duly authorised delegate in order to identify the owners of such bank account and/or to comply with applicable law.

- (3) The Investor acknowledges that in the event that the Partnership is requested to transfer funds to an account which is not the one from which contributions were made to the Partnership or to an account located in a different country than the Investor's country of residence, the Partnership (through its Administrator) may conduct a comprehensive inquiry to understand the purpose of the request and shall generally approve the transfer to such other account only in the event of justification for such request.
- (4) The Investor represents and warrants that, to the best of its knowledge, its subscription funds do not originate from, nor will they be routed through, an account maintained at a shell bank¹, and/or a bank organized or chartered under the laws of a country or territory that is designated by the FATF as a "High Risk Jurisdiction subject to a Call for Action".
- (5) The Investor further understands and accepts that the General Partner or its duly authorized delegate will not confirm acceptance of the Investor to the Partnership until such time as the General Partner or its duly authorized delegate has received any documentation verifying the Investor's identity, and/or that of the Investor's controllers or beneficial owners, to its satisfaction.
- (6) The Investor will provide additional documentation if requested by the General Partner or its duly authorized delegate in accordance with the requirements, present or future, of the laws and regulations of the State of Israel or any other jurisdiction whose regulations apply to the Partnership or its duly authorized delegate.
- (7) The Investor represents, warrants and agrees that the information provided in this Agreement is true, correct and complete as of the date hereof, and undertakes to advise the General Partner or its duly authorized delegate promptly of any change in circumstances which causes any of such information to be inaccurate or incomplete. In addition, the Investor acknowledges and agrees that all such information provided by it, including the Investor's place of tax residency may be transferred to any relevant bank with which the Partnership maintains an account and that the bank may use these documents and relevant information required under applicable law or the bank policies.
- (8) The Investor represents and warrants that it is not and, to the best of its knowledge or belief, none of its beneficial owners, controllers or authorized persons (for purposes of this paragraph (dd), "**Related Persons**") (if any) is, a politically exposed person², or a family member³ or close associate⁴ of a politically exposed person, or is acting on behalf of a politically exposed person, or is a shell bank. Further, the Investor understands that enhanced due diligence may need to be undertaken, and the General Partner reserves the right to decline the subscription, where the Investor or any of its Related Persons is a politically exposed person, or a family member or close associate of a politically exposed person, or is acting on behalf of a politically exposed person.
- (9) The Investor is not and, to the best of the Investor's knowledge or belief, none of its Related Persons (if any) is (i) named on any list of sanctioned entities or individuals maintained by the US Treasury Department's Office of Foreign Assets Control ("**OFAC**") and/or pursuant to European Union ("**EU**") and/or United Kingdom ("**UK**") Regulations, (ii)

¹ "**shell bank**" means any institution that accepts currency for deposit and that (a) has no physical presence in the jurisdiction in which it is incorporated or in which it is operating, as the case may be, and (b) is unaffiliated with a regulated financial group that is subject to consolidated supervision.

The Investor hereby acknowledges that it and each other Limited Partner has executed this special power of attorney, and that each Limited Partner will rely on the effectiveness of such powers with a view to the orderly administration of the Partnership's affairs.

6. Expenses. Each party hereto will pay its own expenses relating to this Agreement and the purchase of the Investor's Units in the Partnership hereunder.

7. Amendments. Neither this Agreement nor any term hereof may be changed, waived, discharged or terminated except with the written consent of the Investor and the General Partner.

8. Reduction or Rejection of Subscription. The Investor acknowledges that the subscription for the Units contained herein may be reduced or rejected by the General Partner in its sole discretion at any time prior to the Closing. The Investor agrees that the offer to subscribe is not binding on the Partnership until it is accepted by the General Partner. The General Partner may reject the subscription for the Units contained herein in whole or in part in its sole discretion for any reason whatsoever. The subscription for the Units shall be deemed to be accepted only after the General Partner countersigns this Subscription Agreement. The Investor agrees that unless and until its offer to subscribe is rejected by the General Partner, the Investor shall not be entitled to cancel, terminate, or revoke its offer to subscribe. If the General Partner rejects the offer to subscribe, this Agreement and all related documents executed by the Investor in connection with it may be retained by the General Partner.

9. **AEOI.**

As used herein, “AEOI” means:

- (1) sections 1471 to 1474 of the US Internal Revenue Code of 1986 and any associated legislation, regulations or guidance, and any other similar legislation, regulations or guidance enacted in any other jurisdiction which seeks to implement similar financial account information reporting and/or withholding tax regimes;
- (2) the OECD Standard for Automatic Exchange of Financial Account Information in Tax Matters – the Common Reporting Standard (the “CRS”) and any associated guidance;
- (3) any intergovernmental agreement, treaty, regulation, guidance, standard or other agreement between Israel (or any Israeli government body) and any other jurisdiction (including any government bodies in such jurisdiction), entered into in order to comply with, facilitate, supplement or implement the legislation, regulations, guidance or standards described in sub-paragraphs (i) and (ii); and
- (4) any legislation, regulations or guidance in Israel that give effect to the matters outlined in the preceding sub-paragraphs.

The Investor acknowledges and agrees:

- (1) the Partnership is required to comply with the provisions of AEOI;
- (2) to provide the Partnership, in a timely manner, such information regarding the Investor and its beneficial owners and such forms or documentation as may be requested from time to time by the Partnership (whether by its General Partner or other agents such as the Investment Manager or the Administrator) to enable the Partnership to comply with the requirements and obligations imposed on it pursuant to AEOI, specifically, but not limited to, forms and documentation which the Partnership may require to determine whether or not the relevant investment is a “Reportable Account” (under any AEOI regime) and to comply with the relevant due diligence procedures in making such determination;
- (3) any such forms or documentation requested by the Partnership or its agents pursuant to paragraph (b), or any financial or account information with respect to the Investor’s investment in the Partnership, may be disclosed to the applicable tax authorities (or any other applicable governmental body which collects information in accordance with AEOI) and to any withholding agent where the provision of that information is required by such agent to avoid the application of any withholding tax on any payments to the Partnership;
- (4) to waive, and/or cooperate with the Partnership to obtain a waiver of, the provisions of any law which:
 - (i) prohibits the disclosure by the Partnership, or by any of its agents, of the information or documentation requested from the Investor pursuant to paragraph (b);
 - (ii) prohibits the reporting of financial or account information by the Partnership or its agents required pursuant to AEOI; and
 - (iii) otherwise prevents compliance by the Partnership with its obligations under AEOI;
- (5) that if it provides information and documentation that is in anyway misleading, or it fails to provide the Partnership or its agents with the requested information and documentation necessary in either case to satisfy the Partnership’s obligations under AEOI, the Partnership

reserves the right (whether or not such action or inaction leads to compliance failures by the Partnership, or a risk of the Partnership or its investors being subject to withholding tax or other costs, debts, expenses, obligations or liabilities (whether external, or internal, to the Partnership) (together, “costs”) under AEOI):

- (i) to take any action and/or pursue all remedies at its disposal including, without limitation, compulsory redemption or withdrawal of the Investor;
- (ii) to hold back from any redemption or repurchase proceeds, dividend payments or any other distributions, or to deduct from the Investor’s applicable NAV, any costs caused (directly or indirectly) by the Investor’s action or inaction; and
- (iii) it shall have no claim against the Partnership, or its agents, for any form of damages or liability as a result of actions taken or remedies pursued by or on behalf of the Partnership in order to comply with AEOI.

The Investor shall indemnify the Partnership, its general partner, the Administrator and the Investment Manager (each a “**AEOI Indemnitee**”), and each of their respective principals, members, managers, officers, directors, stockholders, employees and agents and holds them harmless from and against any AEOI related liability, action, proceeding, claim, demand, costs, damages, expenses (including legal expenses) penalties or taxes whatsoever which the Partnership, its General Partner, the Administrator and/or the Investment Manager may incur as a result of any action or inaction (directly or indirectly) of the Investor (or any related person) described in paragraphs (a) to (e) above. This indemnification shall survive the Investor’s death or disposition of its Shares in the Partnership.

10. Additional Investor Information; Indemnity. The Investor understands that the information provided herein (including the exhibits hereto) will be relied upon by the Partnership and the General Partner for the purpose of determining the eligibility of the Investor to purchase the Units. The Investor agrees to provide, if requested, any additional information that may reasonably be required to determine the eligibility of the Investor to purchase or hold the Units. The Investor represents and agrees that the information provided herein (including the exhibits hereto) regarding the Investor is true, complete and correct as of the date of this Agreement and will be true and correct as of the Closing and as of the date of each capital contribution by the Investor to the Partnership. Without limiting the generality of the foregoing, if there should be any change in the information provided herein or in any exhibit or schedule hereto regarding the Investor prior to the Closing or at any time during the term of the Partnership, the Investor will immediately furnish revised or corrected information to the General Partner in writing. In addition, the Investor will furnish to the Partnership, upon request, any other information about the Investor reasonably determined by the General Partner to be necessary or convenient for the formation, operation, dissolution, winding-up or termination of the Partnership, or otherwise in connection with the laws and regulations of Israel or any other jurisdiction whose regulations apply to the Partnership or its duly authorized delegate; provided that (A) such other information is in the Investor’s possession or is available to the Investor without unreasonable effort or expense and (B) the Investor’s obligations with respect to such other information shall not apply to information that the Investor is required by law or agreement to keep confidential. The Investor agrees to indemnify and hold harmless the Partnership, the General Partner, any Affiliate of the Partnership or the General Partner, and any director, officer, partner, member, manager, employee, or agent of any such party (collectively, the “**Indemnified Parties**”) against any loss, damage, or liability due to or arising out of a breach of any representation, warranty or agreement of the Investor contained in this Agreement (including the exhibits hereto) or in any other documents provided by the Investor to the Partnership or the General Partner in connection with the Investor’s investment in the Partnership. Notwithstanding any provision of the Partnership Agreement to the contrary, all representations, warranties, acknowledgements and agreements of the Investor contained in this Agreement shall survive the execution and delivery of this Agreement and the admission of the Investor as a Limited Partner. The Investor acknowledges and agrees that the aggregate indemnification amounts that may be payable by the Investor as provided herein or according to the indemnification provisions set forth in the Partnership Agreement may exceed the aggregate Capital Contributions made by the Investor, in order to satisfy the indemnification requirements provided herein or under the Partnership Agreement, as required under the Israeli law. The Investor hereby agrees that if it would be determined under applicable law that the Investor has received distribution amounts in excess of the amounts that such Investor should have received and therefore that such amounts should be returned to the Partnership, the Investor shall immediately return to the Partnership any such amounts so

determined to be returned.

11. Tax; Withholding. The Investor acknowledges and agrees that under U.S. federal tax law (including Sections 1441, 1442, 1445, and 1446 of the U.S Internal Revenue Code of 1986, as amended Code), and under applicable non-U.S. or U.S. state or local law, the Partnership and/or its subsidiaries must withhold tax with respect to certain transfers of property and/or other income or activities of the Partnership and/or its subsidiaries. In addition, backup withholding may be required in certain circumstances. The Investor represents, warrants and agrees (for the benefit of the Partnership and of any person who participated in the offer or sale of the Units) that it will provide in a timely manner the information and forms requested by the General Partner, including a properly completed United States Internal Revenue Service Tax Form W-9 or a properly completed United States Internal Revenue Service Tax Form W-8BEN, W-8BEN-E, W-8IMY, W-8EXP or W-8ECI (each, a foreign person certificate), as appropriate, and the Investor certifies that the information contained in the executed copy (or copies) of such forms when submitted to the Partnership, will be true, correct and complete. As long as the Investor holds a Partnership interest the Investor shall (i) promptly inform the General Partner of any change in such information, and (ii) furnish to the Partnership a new properly completed and executed form, certificate or attachment, as applicable, as may be required under the Internal Revenue Service instructions to such forms, the Code or any applicable Treasury Regulations or as may be requested from time to time by the Partnership. The Investor shall cooperate with the General Partner upon its request in order to maintain appropriate records and provide for withholding amounts, if any, relating to the Investor's Units in the Partnership, and, further, in the event that the Investor fails to provide such information regarding United States tax withholding, the General Partner, the Partnership and their respective direct or indirect partners, members, managers, officers, directors, employees, agents, service providers and their Affiliates shall have no obligation or liability to the Investor with respect to any United States tax matters or obligations which may be assessed against the Investor or its beneficial owners. The Investor expressly acknowledges that such tax forms and withholding information may be provided to any withholding agent that has control, receipt or custody of the income of which the Investor is the beneficial owner or any withholding agent that can disburse or make payments of the income of which the Investor is the beneficial owner.

12. Reliance by General Partner and the Partnership. The Investor acknowledges that the General Partner, on its own behalf and on behalf of the Partnership, will rely upon the Investor's representations, warranties, acknowledgments, agreements and other information as set forth in this Agreement in determining whether the Investor should be admitted to the Partnership and that any breach or misstatement by the Investor may result in substantial harm to the General Partner, the Partnership or the other Partners. Notwithstanding any provision of the Partnership Agreement to the contrary, all representations, warranties, acknowledgments and agreements of the Investor contained in this Agreement shall survive the execution and delivery of this Agreement and the admission of the Investor as a Limited Partner.

13. Privacy Notice. If Investor is a natural person, the Investor agrees that it has read, understood and acknowledged receipt of the notice attached hereto as Exhibit E which regulates the privacy practices ("**Privacy Notice**") regarding certain rules governing privacy. The Privacy Notice can be updated from time to time and, therefore, if the Partnership implements significant changes to the use of Investor's personal data in a manner different from that stated at the time of collection, the Partnership will use commercially reasonable efforts to notify the Investor by sending the Investor an email or by other means.

14. Notices, Consents, Elections, Etc. All notices, consents, agreements, elections, acceptances, amendments, and approvals provided for or permitted by this Agreement shall be in writing. the prior written consent of the General Partner, and (iv) shall, if the Investor consists of more than one person, be the joint and several obligation of all such persons. Two or more duplicate originals of this Agreement may be executed by the undersigned and accepted by the Partnership, each of which shall be an original, but all of which together shall constitute one and the same instrument. This Agreement shall be governed by the laws of the State of Israel and the Investor hereby irrevocably submits to the jurisdiction of the courts of Israel in connection with any dispute arising out of or in connection with this Agreement. Any term or provision of this Agreement that is invalid or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms or provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. Captions and headings in this Agreement are for convenience of reference only, and shall not limit or otherwise affect the meaning hereof.

16. Electronic Delivery of Account Information. (b) The Partnership, the General Partner and the Administrator will not be liable for any interception of Account Information. In addition, there are risks, such as systems outages, that are associated with electronic delivery.

(c) The Partnership and its agents shall not be liable for damages caused by the fact that signatures on instructions given to the Partnership or its agents are not authentic so long as such reliance was reasonable in the circumstances. Reliance shall be reasonable if in the case of private investors the Partnership or its agent relies on the signature(s) herein below. In the case of institutional investors, reliance shall be reasonable if the Partnership or its agent shall compare the signatures on the instructions with the specimens provided in the list of authorized signatories provided by the investor.

(d) The Partnership, General Partner and its agents are permitted to make recordings of telephone conversations to the Partnership, General Partner or its agents, the recordings will constitute evidence in case of disagreement. CERTAIN RISK FACTORS

In this Exhibit F the Partnership, together with the Master Fund shall be referred to as the “Fund”.

An investment in the Fund involves substantial risks. The Fund is and will be invested, directly and indirectly, primarily in debt instruments and other securities, many of which are likely to be speculative in character. As such, prospective investors should carefully consider, among other factors, the risks described below as if they were investing directly in such securities. These risk factors are not meant to be an exhaustive listing of all potential risks associated with an investment in the Fund.

Private Investment Funds Generally

Legal and Regulatory Environment for Private Investment Funds and their Managers. The legal, tax and regulatory environment worldwide for private investment funds (such as the Fund) and their managers is evolving, and changes in the regulation of private investment funds, their managers, and their trading and investing activities may have a material adverse effect on the ability of the Fund to pursue its investment program and the value of investments held by the Fund. There has been an increase in scrutiny of the alternative investment industry by governmental agencies and self-regulatory organizations. New laws and regulations or actions taken by regulators that restrict the ability of the Fund to pursue its investment program or employ brokers and other counterparties could have a material adverse effect on the Fund and the Limited Partners’ investments therein. In addition, the General Partner may, in its sole discretion, cause the Fund to be subject to certain laws and regulations if it believes that an investment or business activity is in the Fund’s interest, even if such laws and regulations may have a detrimental effect on one or more Limited Partners.

Dodd-Frank Act. The U.S. Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”). The Dodd-Frank Act affects a broad range of market participants with whom the Fund may interact, including banks, non-bank financial institutions, rating agencies, mortgage brokers, credit unions, insurance companies, payday lenders and broker dealers, and may change the way in which the General Partner conducts business with such counterparties.

Systemic Risk. Credit risk may arise through a default by or because of one of several large institutions that are dependent on one another to meet their liquidity or operational needs. A default by or because of one institution may cause a series of defaults by the other institutions. This is sometimes referred to as a “systemic risk” and may adversely affect financial intermediaries, such as clearing houses, banks, securities firms and exchanges with which the Fund interacts. A systemic failure could have material adverse consequences on the Fund.

Assumption of Business, Terrorism and Catastrophe Risks. The Fund may be subject to the risk of loss arising from exposure that it may incur, indirectly, due to the occurrence of various events, including, without limitation, hurricanes, earthquakes, and other natural disasters, terrorism and other catastrophic events. These risks of loss can be substantial and could have a material adverse effect on the Fund and the Limited Partners’ investments therein.

Risks Related to the Investment Structure of the Fund

No Diversification Requirement. The Fund has no diversification requirements. The General Partner has the discretion to modify the allocation of the Fund assets as it determines.

Significant Fees and Expenses. The fees and expenses of the Fund may be significant. The Fund must generate sufficient income to offset such fees and expenses to avoid a decrease in the Net Asset Value of the Fund.

Effect of Substantial Withdrawals. Substantial withdrawals could be triggered by a number of events, including, without limitation, unsatisfactory performance, events in the markets, a significant change in personnel or management of the General Partner, removal or replacement of the General Partner as the general partner, legal or regulatory issues that investors perceive to have a bearing on the Fund, the General Partner or other events. Although the General Partner has the ability to limit withdrawals at any one time, actions taken to meet substantial withdrawal requests from the Fund could result in prices of securities held by the Fund decreasing and in Fund expenses increasing (e.g., transaction costs and the costs of terminating agreements). The overall value of the Fund also may decrease because the liquidation value

of certain assets may be materially less than their cost or mark-to-market value. The Fund may be forced to sell its more liquid positions, which may cause an imbalance in the portfolio that could have a material adverse effect on the remaining Partners. Substantial withdrawals could also significantly restrict the Fund's ability to obtain financing needed for its investment strategies, which would have a further material adverse effect on the Fund's performance. The Fund and the General Partner generally will not disclose to Limited Partners the amount of pending withdrawals or withdrawal requests and are under no obligation to make any such disclosure.

Limited Liquidity. An investment in the Fund has limited liquidity because Limited Partners are subject to a Lock-Up Period, the 5% Limitation and may only transfer their Units in the Fund as described herein. Limited Partners must be prepared to bear the financial risks of an investment in the Fund for an indefinite period of time.

Withdrawal Restrictions. Withdrawals from the Fund by a Limited Partner is restricted by the Partnership Agreement including, without limitation, by the Lock-Up Period and 5% Limitation. Limited Partners who effect withdrawal of Units, or who withdrew entirely from the Fund may nevertheless be subject to liability in the future for amounts which have been withdrawn if the Fund becomes subject to a liability relating to a time period in which the withdrawing Limited Partner was a Partner. Liabilities may include, among others, tax claims, claims of the General Partner for indemnification and liabilities arising from litigation. In addition, the General Partner may suspend withdrawal rights in certain circumstances detailed in the Partnership Agreement. Distributions, other than withdrawals, are at the discretion of the General Partner.

Liability of Limited Partners. The business of a limited partnership will be conducted by its general partner(s) who will be liable for all debts and obligations of the limited partnership to the extent the Fund has insufficient assets. As a general matter, a limited partner of a limited partnership will not be liable for the debts and obligations of the limited partnership save: (i) as expressed in the partnership agreement, (ii) if such limited partner becomes involved in the conduct of the partnership's business and holds himself out as a general partner to third parties, or (iii) if such limited partner is obliged pursuant to the Partnership Ordinance to return a distribution made to it where the limited partnership is insolvent and the limited partner has actual knowledge of such insolvency at that time.

Handling of mail. Mail addressed to the Fund and received at its registered office will be forwarded un-opened to the forwarding address supplied by the Fund to be dealt with. None of the Fund, the General Partner or any of its or their directors, officers, advisors or service providers will bear any responsibility for any delay, howsoever caused, in mail reaching the forwarding address. In particular, the directors of the General Partner will only receive, open or deal directly with mail which is addressed to them personally (as opposed to mail which is addressed just to the Fund).

Governmental Entity Investors. Governmental entities, including, but not limited to, pension plans maintained by governmental agencies and instrumentalities, may invest in the Fund. Such investors may be subject to laws that affect the applicability or enforcement of certain terms generally governing the Fund. For example, exculpation, indemnification, confidentiality, choice of law and choice of venue provisions may be applied differently with respect to such investors. In addition, investment in the Fund by certain governmental entities may subject the Fund and/or the General Partner to increased regulatory burdens and public disclosures about the Fund, its investors and its activities.

Letter Agreements. The General Partner may, in its sole discretion, enter into a letter agreement or side letter with one or more Limited Partners providing that the terms of the Partnership Agreement are amended and/or supplemented with respect to such Limited Partner(s) (including, without limitation, with respect to reduced management fee and incentive allocation, superior information etc.). The letter agreement or side letter may contain terms which are more favorable towards the Limited Partner(s) than, those in the Partnership Agreement including, *inter alia*, more favorable treatment than other holders of the same class of equity interest enhancing that Limited Partner's ability either (i) to withdraw equity interests of that class or (ii) make a determination as to whether to withdraw equity interests of that class and which, in either case, might reasonably be expected to put other holders of equity interests of that class who are in the same position at a material disadvantage in connection with the exercise of their withdrawal rights. With respect to any such Limited Partner(s), the terms of such letter agreement or side letter shall be controlling, and the terms of the Partnership Agreement shall be deemed amended, modified and/or supplemented to the extent required to effectuate the provisions of such letter agreements or side letters. Limited Partners will not have a right to receive information about such letter agreements, without the consent of the General Partner.

Indemnification of General Partner and Other Persons. The Partnership Agreement contains broad indemnification provisions which protect the General Partner, its members and their respective affiliates, including any investment

manager (if appointed) and its principals, from actions brought by third parties against such persons. To the extent the Fund is required to indemnify such persons, it may lower the performance of the Fund. In addition, these indemnification provisions limit the right of a Limited Partner to maintain an action against the General Partner to recover losses or costs incurred by the Fund as a result of the General Partner's actions or failures to act.

If the General Partner decides that the investment strategy is no longer viable, then it may resolve that the Fund be managed with the objective of realizing assets in an orderly manner and distributing the proceeds to Limited Partners in such manner as it determines to be in the best interests of the Fund, in accordance with the terms of the Partnership Agreement and this Agreement, including, without limitation, compulsorily withdrawing Units, paying any dividend proceeds in specie and/or declaring a suspension while assets are realized. This process is integral to the business of the Fund and may be carried out without recourse to a formal winding up under the Israeli Companies Law, 5759-1999 ("**Companies Law**") or any applicable bankruptcy or insolvency regime, but shall be without prejudice to the winding up mechanism set out in the Partnership Agreement.

Subscription Monies. Where a subscription for Units is accepted, the Units will be treated as having been issued with effect from the 1st day of the month following the date such monies are transferred to the Fund, which will be treated as the "Subscription Date" notwithstanding that the subscriber for those Units may not be entered in the Fund's register of limited partners, nor the subscription reflected in the Fund's record of contributions, until after the relevant Subscription Date. The subscription monies contributed by a subscriber for Units will, accordingly, be subject to investment risk in the Fund from the relevant Subscription Date. Details of the value, as at the Subscription Date, of an accepted subscription may be obtained by the relevant Limited Partner from the General Partner.

Effect of Withdrawals. Where a withdrawal request is accepted, the Units will be treated as having been withdrawn with effect from the relevant Withdrawal Date irrespective of whether or not such withdrawing Limited Partner has been removed from the Fund's register of limited partners, the withdrawal reflected in the Fund's record of contributions or the withdrawal proceeds remitted. Details of the value, as at the Withdrawal Date, of withdrawn Units may be obtained by the relevant withdrawing Limited Partner from the General Partner.

Transfer and Reuse of Assets. No restrictions have been imposed by the Partnership on the transfer and reuse arrangements that the Partnership may employ as a means of reducing the cost of any counterparty providing financing to the Partnership.

Leverage and Borrowing.

Leverage for Investment Purposes. The use of leverage will allow the Fund to make additional investments, thereby increasing its exposure to assets, such that its total assets may be greater than its capital. However, leverage will also magnify the volatility of changes in the value of the Fund's portfolio. The effect of the use of leverage by the Fund in a market that moves adversely to its investments could result in substantial losses to the Fund, which would be greater than if the Fund were not leveraged.

Borrowing for Cash Management Purposes. The Fund has the authority to borrow for cash management purposes, such as to satisfy withdrawal requests. The rates at and terms on which the Fund can borrow will affect the operating results of the Fund.

Collateral. The instruments and borrowings utilized by the Fund to leverage investments may be collateralized by all or a portion of the Fund's portfolio. Accordingly, the Fund may pledge its securities in order to borrow or otherwise obtain leverage for investment or other purposes. Should the securities pledged to brokers to secure the Fund's margin accounts decline in value, the Fund could be subject to a "margin call", pursuant to which the Fund must either deposit additional funds or securities with the broker or suffer mandatory liquidation of the pledged securities to compensate for the decline in value. The banks and dealers that provide financing to the Fund can apply essentially discretionary margin, "haircut", financing and collateral valuation policies. Changes by counterparties in any of the foregoing, may result in large margin calls, loss of financing and forced liquidations of positions at disadvantageous prices. Lenders that provide other types of asset-based or secured financing to the Fund may have similar rights. There can be no assurance that the Fund will be able to secure or maintain adequate financing.

Costs. Borrowings will be subject to interest, transaction and other costs, and other types of leverage also involve transaction and other costs. Any such costs may or may not be recovered by the return on the Fund's portfolio.

Risks Related to Investments made by the Fund

Risk of Loss. No guarantee or representation is made that the Fund's investment program, including, without limitation, the Fund's investment objective, diversification strategies or risk monitoring goals, will be successful. Investment results may vary substantially over time. No assurance can be made that profits will be achieved or that substantial or complete losses will not be incurred. Past investment results of the General Partner (or investments otherwise made by the investment professionals of the General Partner) are not necessarily indicative of their future performance.

Liquidity Risks. Although most of the securities the Fund may acquire are traded on public exchanges, each exchange typically has the right to suspend or limit trading in all securities which it lists. In addition, some of the securities in which the Fund invests may be thinly traded or not traded at all, potentially making it difficult for the Fund to dispose of a position at the time or price desired. Moreover, in periods of extreme market volatility, the bid/ask spreads for some securities (which are ordinarily liquid) may widen, making it difficult or undesirable to sell the security.

Furthermore, if Limited Partners elected to withdraw a substantial amount by withdrawal of Units as of the end of any given fiscal period, the Fund might be forced to sell notes on a secondary market at a time when it was disadvantageous to do so. There can be no assurance that such secondary markets will remain liquid enough for management to sell notes at any time there is a need to do so.

Interest Rate Risk. Interest risk relates to the risk that changing interest rates may adversely affect the value of an investment. As the general level of interest rates rises, the market price of intermediate-term and long-term fixed income securities tends to decline. Changes in interest rates will affect the value of longer-term fixed income securities more than shorter-term securities and lower quality securities more than higher quality securities.

Credit Risk. Credit risk relates to the continuing ability of a borrower to pay the stated interest and ultimately to repay principal on the OwnEZ Loans upon maturity. Concern over a borrower's ability to pay its interest expense can create volatility in the value of the OwnEZ Loans and the Fund's assets.

Market Risk. Market risk relates to the risk that the market value of a fund's investments will fluctuate as the stock and bond markets fluctuate. Market risk may affect a single issuer, industry or section of the economy or it may affect the market as a whole. Securities markets in general are subject to substantial, and at times, extreme volatility and uncertainty.

OwnEZ Platform Risk. If there were technological failures of the platform created and managed by OwnEZ, Inc., such failures could adversely affect the Fund's activities and the value of the OwnEZ Loans.

General Economic and Market Conditions. The success of the Fund's activities will be affected by general economic and market conditions, such as interest rates, availability of credit, credit defaults, inflation rates, economic uncertainty, changes in laws (including laws relating to taxation of the Fund's investments), trade barriers, currency exchange controls, and national and international political circumstances (including wars, terrorist acts or security operations). These factors may affect the level and volatility of the prices and the liquidity of the Fund's investments. Volatility or illiquidity could impair the Fund's profitability or result in losses. The Fund may maintain substantial trading positions that can be adversely affected by the level of volatility in the financial markets.

Management Risks

Dependence on General Partner and Principals. All management decisions for the Fund are made by the General Partner (or if an investment manager is appointed, by the investment manager subject to the supervision and control of the General Partner). Accordingly, no person should invest in the Fund, unless they are willing to entrust all aspects of the management of the Fund to the General Partner, the investment manager (if applicable) and their principals. Moreover, the General Partner (or if an investment manager is appointed, the investment manager) has the right to modify the types of investment strategies utilized and the allocation of assets among these strategies without the consent of the Limited Partners. The Fund is dependent upon the skill, judgment and expertise of the principal(s) of the General Partner.

Conflicts of Interest. The Affiliates and employees of the General Partner or Affiliates thereof manage an investment fund with a different focus and strategy, which, however may have similar positions to the Fund and may in the future manage other investment vehicles, some of which may have an investment strategy substantially similar to that of Fund,

which in either case may involve an inherent conflict of interest. The principals of the General Partner intend to allocate investment opportunities between the Fund and other investment vehicles managed by the General Partner or its Affiliates thereof as the principals of the General Partner deem equitable, in their discretion.

Lack of Registration

Securities Laws. Units have not been registered under the Israeli Securities Law, the Securities Act and the securities laws of any US state and such securities will not, in most cases, be so registered by reason of specific exemptions under the provisions of such acts and laws which depend, in part, upon the investment intent of each Limited Partner. Each prospective investor will be required to represent that it is purchasing its Units for its own account and not with a view towards resale or distribution. The Fund has no plans and did not assume any obligations to register the sale of Units. Accordingly, the Units may not be transferred in the absence of an opinion of counsel to the Fund that the transfer will not involve a violation of the registration requirements of the Israeli Securities Law, the Securities Act or any applicable law of any US state. Ordinarily, this means that transfers will be restricted to instances of death, gift, passage by operation of law or transfer to other persons who must also be accredited investors. These restrictions on transfer herein shall be in addition to and shall not replace the restrictions found in the Partnership Agreement.

Investment Company Act. The Fund is not and will not be registered as an investment company under the Investment Company Act. Thus, the provisions of the Investment Company Act intended to provide various protections to investors will not be applicable.

Israeli Law. The Fund recognizes the potential impact of the Israeli securities laws on the Units. The potential impact of the Israeli law limitation on the maximum number of Limited Partners allowed is that the Fund may not be able to grow and it may become necessary to replace Limited Partners with smaller positions with Limited Partners with larger positions. Also, the Fund may not be able to spread its administrative and fixed costs across a larger base of investments.

Possible Adverse Tax Consequences. The Fund has not and will not request any ruling from the IRS or the Israel Tax Authority ("ITA") as to any U.S. federal or Israeli income tax consequences relating to the structure or operation of the Fund nor has it requested such ruling from any other governmental authority in any other jurisdiction. There can be no assurance that any tax position taken by the Fund will not be challenged by the IRS, Israel Tax Authority or any other governmental authority.

Other Risks. The foregoing list of risk factors does not purport to be a complete enumeration or explanation of the risks involved in an investment in the Fund. Prospective investors should read this entire Agreement and consult with their own advisers before deciding whether to invest in the Fund. In addition, as the Fund's investment program develops and changes over time, an investment in the Fund may be subject to additional and different risk factors. No assurance can be made that profits will be achieved or that substantial losses will not be incurred.

EACH PROSPECTIVE INVESTOR MUST CONSULT WITH ITS/HIS OWN TAX ADVISER REGARDING THE TAX TREATMENT OF THE FUND AND THE U.S. FEDERAL, STATE, LOCAL, ISRAELI AND FOREIGN TAX CONSEQUENCES OF PURCHASING, HOLDING OR SELLING UNITS IN THE FUND.
